

Wing eLite Pull-Up Banner stands

Premier® Wing is a 'pull up' or 'retractable' banner stand, manufactured in anodised aluminium

with tensioned sprung roller mechanism.

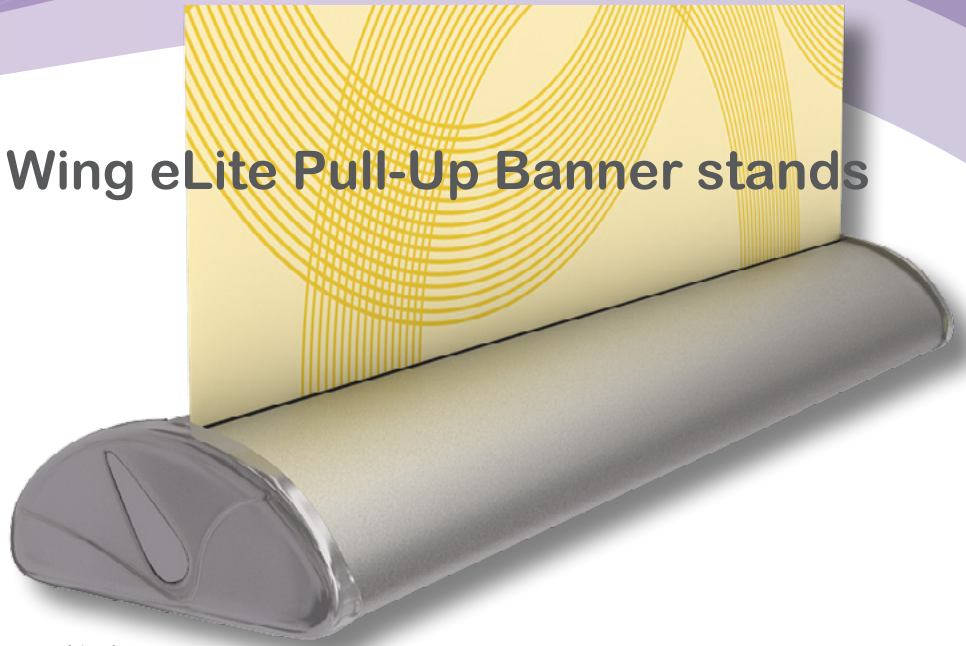

The Wing is simple, striking and durable.

Retractable banner systems are ideal for exhibitions, showrooms, receptions, retail P.O.S and sales presentations.

Wings are available in four widths: 500mm, 850mm, 1000mm and 1200mm and have a choice of standard or extended heights.

The display is reusable allowing for replacement graphics when required.

A hard case option is available for multiple units to enhance the safety of your displays whilst shipping (500 & 850mm units only).
